Patches Parks

2009-2026

She showed up in my back yard on a snowy day in April. She was just 4 or 5 weeks old and feral. She was born in Amarillo, Tx. In 2012, we moved to Pampa. She loved laying in the back yard and playing with the fish in our pond. She got along with the dogs, Bailee, Sadie, and Max. She was a sweet cat. We miss her so much.
