

Pax

September 14, 2023

Pax was given to us for a Christmas present from our children. My Mother had just died, and I was not in the mood for a puppy! I was rude and angry with my daughter about the timing. It only took me one day to understand why it was the most perfect timing for a puppy. Pax was a blessing in our lives and Furrever pet crematory calmed us when we lost her, you were also a blessing in our lives.
