

Peanut Butter

March 7, 2023

This is our Peanut Butter, she was 14 years old, we had her since she was six weeks old. She loved to play around, jump, and roll around with her kitty brother. She loved the walks, and always loved the treats! She has been through three moves with us as the Air Force has taken us from the East coast to the West Coast, and finally here to New Mexico. She will be missed dearly
