

Peluchin

January 15, 2023

Peluchin was part of our family for 12 years, and went on numerous trips with us. He was spoiled rotten by every one in the family. He was the most loyal companion we've ever had. He loved car rides and enjoyed the dog park. He had the most beautiful brown eyes you'd ever seen. Peluchin will be missed dearly and already our bed feels so empty. Forever in our hearts.
