

## Petey

February 27, 2023

From the day that he was adopted, Petey was a lover of everyone. He was always there to welcome you home, with a wag and kisses, he could always melt your heart and drown any concerns of the day. His upside down kisses were the best. He was a spunky fellow and thoroughly enjoyed his many walks around the neighborhood where his favorite past time was to try and mark every spot along the path, long after he could mark no more. The only thing he enjoyed more than a good walk was his car rides, after all, this was his moment to shine. He would proudly stand high, feet firmly planted at the top of the window. And he would gladly give you grief if that window wasn't down, regardless of the weather. He left behind his three sisters, Meeka, Grace and Zuzu all of whom he loved on till his last day. He will be forever missed, loved, and remembered.
