“ Porsche was our sweet litte girl, a diva a princess, loved everyone and if you didn't speak to ger she would get louder and louder until you noticed her, she was mommy's prissy prissy, and would get extra treats rather from mommy daddy or taking it from ger fur brother Bentley or litte sister Stella. Yet she was an amazing dog loved ger little red squeaky dog toy or her ball and stealing the cover laying between us and getting on top of cover in middle of night and snore. A beautiful little snore , shexrun the house . We will miss our little angel our prissy priss. But know you will always be in our hearts you brought so much joy to everyone, Porsche mommy loves and misses you my sweet litte angel
