

Recon Jack Floyd

April 26, 2026

Recon Jack was born in 2019 and quickly became the commander of attention. He was ornery from the start, picking on his two schnauzer sisters, but protective overall, as long as you were not the trashman. He grew into a very loving, all around good boy! He spent many hours a day playing with his herding ball, and the rest of the hours, dreaming of playing with his ball. He will be greatly missed by us all.
