

Reese

September 20, 2024

Our beautiful Queen Reese has left her family heartbroken, we were not ready to say goodbye, but she was. She hadn't been feeling well the last few days and even though we thought we caught it in time, we hadn't.

We had gotten Reese as a buddy for Slider, but we soon learned he was a she and had three beautifully piggie babies. Our time together wasn't long, and we had just moved into a new place to start making new memories so it hurts to know she has left us before we could continue making new memories. She joins her piggie hubby Slider but leaves behind three piggie children Otis, Oreo, and her daughter Peace. They were born on May 11th 2021, two days after Mother's Day.

We will love you forever, and I hope you are having a wonderful reunion with Slider. We will meet again one day.
