

Remi Dodson

May 15, 2026

Remi was our very first baby and the most loyal dog there ever was. He was by our side through every season of life — from newlyweds, to bringing home babies, to becoming a family of four. He adored our girls more than anything.

Any time the pantry door opened, he came running. If there was a lap open, he was in it. He loved playing fetch, porch sitting, pizza deliveries, and bedtime stories & cuddles. He made the ordinary moments feel special just by being there.

Our home feels quieter without him, and we miss him more than words can say. Thank you for loving us so well for 8 beautiful years, Remi. You will always be part of our family and forever our best boy. ☐
