Rex Cowan 6/24/2012-10/23/2025

Rex lived a happy life for 13 years with us. He had a laid back personality and never knew a stranger. He loved laying in his sandbox spot in the yard and also loved laying in the snow in the winter. He enjoyed taking walks and played with his toys at nighttime. He was preceded in death by his brother and littermate, Ranger, in March. We take comfort knowing they are back together in heaven now. Rex leaves behind his brother Scruffy and sister Luna, as well as Mom, Dad, Kaitlyn, Emma and Connor. We will all miss you so much sweet boy!
