Rhea Mae

Oct 19 2024 - Jan 25 2026

She was unique the moment she arrived, from the time she could walk she picked me as her human she was the first one that only wanted me the daughter of my beloved Pretty and My Boi Smokey Joe. She was blue tri brindle gator mouth pit. She loved the water I got her a swimming pool and she loved spending her time in the water. She would get under the water like a crocodile and then when she seen me she would wag her tail and jump out and run and jump on me getting me soaked. It was her fav. She was very rambunctious and silly very smart. She will forever be loved and missed greatly. I love you Rhea mommy's sorry I could have been better my love.. I'll never forget you my darlin.
