

## Riko Hoyt

January 5, 2025

11 Years ago my world changed when a small little white ball of fur entered my life. I had nothing at the time, only him to keep me company. Riko was the best thing to ever happen in my life. Through every up and down my life had, he was at home waiting to follow me around the house and receive my love. I will never in my lifetime get over his loss. Thank you Riko for loving me the way you did. For never having to get one to you not one single day. The world feels different without your calm loving presence. I will hold your remains dear to me for the rest of my life. I love and miss you my boy ♡
