

Roadie Sullivan

August 20, 2016 - June 12, 2026

“Roadie passed away on June 12th, 2026, at the age of 13. Born on August 20th, 2012, Roadie went through two owners before finding her permanent home in December of 2012.

Though she was initially a skittish dog, she eventually learned to love life to the fullest. Some of her favorite things included truck rides, hanging out in the front yard, pulling us along on her walks, and enjoying plenty of treats. She especially loved whenever the grill was lit, hoping for an “accidental” spill of Natty Light.

Roadie was a wonderful companion and a constant part of my life for nearly 14 years. She leaves behind two loving owners and her buddy of the last two and a half years, Sawyer.”
