Rocko aka Chunky Butt

Rocko came into my life at a point when I needed him the most. 9 years have gone by way too soon for me to want to accept the fact that he is in doggy heaven now with all the other furr baby's. Rocko was loved by family and friends without hesitation for he brought nothing but joy and laughter to our lives. He was definitely a cuddle bug who loved his long naps and especially his treats that he'd be so sweet to accept from your hand. We will miss your unconditional love, your presence and even your loud snores. We love you and you'll forever be in our hearts my sweet boy, may your soul be at rest for I know you'll be waiting for me at the door like always in heaven.
