

## Roxy

July 3, 2024

Roxy was a beautiful pug that we loved and adored so much. She was originally born in Omaha, Nebraska and then spent most of her life in Kansas and Texas. She would brighten up any room and would make people laugh all the time as she twirled around..her nickname was twirly whirly. She loved playing with her toys and she just wanted everybody to be happy. We will always love and miss you Roxy and we will remember all the great memories that we shared together. You are gone, but never forgotten. Rest in peace my precious Roxy.
