Miss Rootin' Tootin' Roxy Roo!! We rescued Miss Roxy seven years ago from Gebos as a pup and what Joy she brought to our lives!! She loved her Mommy and Daddy and adored her bubba, Chase. She lived for her daily walks, barking at cats and well really anything that moved but loved "playing plants" in the backyard with Momma. We wish she could have been in our lives for many more years but she will live in our hearts forever!! Roxy was our favorite hello and our hardest goodbye!! We know she'll be waiting at the doors of Heaven to greet us again someday. Such a Sweet and Beautiful Soul!! 💕 Rest in peace Roxers!!
