

Seamus

April 23, 2010 - May 12, 2023

It is with heavy hearts that we announce the passing of Seamus, our beloved family bulldog. Seamus was a loyal and devoted member of our family, and he will be deeply missed by all who knew him.

Seamus was born on April 23rd, 2010 and he joined our family shortly thereafter. He quickly became an integral part of our lives, and we could not imagine our family without him. Seamus was a gentle giant, with a heart of gold and a personality that endeared him to everyone he met.

One of Seamus's favorite pastimes was playing with the children. He was endlessly patient with them, and he would let them climb all over him, tug on his ears, and get poked in the eye too many times. He loved nothing more than to see them happy, and he always put their safety before his own.

Seamus also had a playful side, and he loved to chase lights and reflections. He would bark and jump around, trying to catch the elusive prey. He was especially fond of a rope-wrapped brick that he would hike between his legs.

Despite his playful nature, Seamus was also a fierce protector. He had a loud, deep bark that he used to scare away any perceived threats, such as the mailman or the dump truck. We always felt safe knowing that Seamus was on guard, and we knew that he would do anything to protect his family.

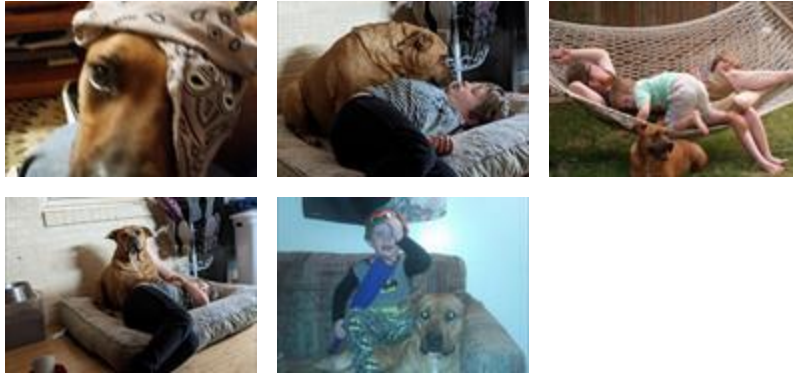

Seamus passed away on May 12, 2023, at the age of 13. We are heartbroken by his loss, but we take comfort in knowing that he is no longer in pain. Seamus will always hold a special place in our hearts, and we will cherish the memories we have of him forever.

Rest in peace, Seamus. You were the best dog our family could ask for, and we will miss you dearly.
