

Shadow

March 26, 2024

Shadow our girl we miss you so much! You were such a sweet, loving, and playful soul. We miss your crazy adorable ears and BESITOS. Your sister Sisu misses you like crazy too. She still looks for you outside and comes in to look for you in your favorite spot on our bed. We miss everything about you. Now you're pain free and in doggy heaven as Kitty says you are. We Love & Miss you for ALWAYS ♡
