

Shadow Teague

May 28, 2026

This is Shadow and he nearly made it to 13 years old. He was born in September 2013 and he passed on May 28, 2026. Our son and his 2 college roommates adopted Shadow as a small pup. Soon, Shadow became too much for the students to handle so he came to live with us. He was so kind and loving and my son had taught him fetch and chasing the ball was so much fun for Shadow. Through the years he had other canine brothers and sisters to play with, but he loved my daughter, Lacy, the most. He also enjoyed walks through our neighborhood and car rides to nearby towns. We are all going to miss Shadow so very much. He was one of the best boys who ever lived. ♡
