

## Simone

May 19, 2025

Given as a gift at just 7 weeks old, Simone's life was filled with love and companionship. Never one to bark much and always ready for a ride in the car, she loved her monthly visit to the groomer. She shared many adventures and cuddles with her family and will be missed so much!

# Tribute Wall

CB

“ *I remember the day she rolled down the back windows and walked the wall of ice and snow down western st!! Little stinker she was!! My deepest sympathy to you all.....*

Charlotte Braddock - May 20, 2025 at 06:56 PM

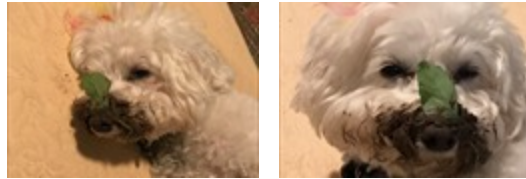

TC

*Thank you Charlotte.. that was a crazy morning!*
