

Sister "Sissy Sue" McConnell

September 30, 2025

"My sweet Sissy Sue.

Sis was everything I could've asked for. My soul dog. She loved to be included in anything we did, whether that was going on a quick road trip, or sunbathing outside. Sis was just happy to be there. She always knew how to make you smile with her kisses and goofy behavior. I'll forever miss my little girl; I'll be waiting patiently to see her again."
