

Smokey Berdejo

March 28, 2024

Smokey Berdejo crossed the rainbow bridge on March 28, 2024 in Amarillo, TX. He was adopted by our family in 2012 from a local dog pound. Smokey loved occasional foot rubs. He enjoyed snacks and always had extra in his dog bed for later. He was very loved and cared for. I think the hardest part of losing a dog you love isn't having to say goodbye.... it's the way your entire world changes without them and emptiness that's left in your heart when they go. He will forever be missed and forever remembered.
