

## Sophie Kate

October 2, 2024

Sophie Kate crossed the rainbow bridge on October 2, 2024 at just two years old but was Mom's saving grace and best friend. Sophie loved to give kisses, play with her toys and run in the wide open spaces. With her feisty personality and stubbornness, she always had to have the last word. Sophie brought happiness, love and laughter to anyone she met and will be dearly missed. "I loved you your whole life, I'll miss you for the rest of mine."
