

Squishy

August 13, 2025

In loving memory of Squishy Nugget. Born on October 11, 2022. She was a fighter from day one. With the odds stacked against her she lived life to the fullest. She gave the best cuddles and the most attitude of any cat. She loved going on walks and basking in the sun. She was the first to crawl under the blanket and watch One Day at A Time always. Squishy was loved and cherished and will be truly missed. Until we meet again. I love you my Squishims.

I miss you so much, my squishims. Life has definitely not been the same since you crossed the rainbow bridge. The day you left, a piece of me went with you. Until we meet again, I love and miss you so much my squish squish
