

## Stitches

May 24, 2025

Stitches aka Stitch, Roo, Stitcherina, Boober, and Stitcheroo. 2014-2025. Stitches was the bestest girl in the whole world. A true adventure pup, she traveled the West Coast by her mother's side, loyal and steadfast through every twist in the trail. With a heart as big as the mountains she hiked, Stitches was more than a companion—she was a soul mate, a constant, and a source of comfort.

She had a gift for cuddling, offering warmth and love to any stranger lucky enough to be near her, though her heart always belonged to her mom. Whether chasing trails or chasing dreams, Stitch did it all with a signature wiggle butt, boundless kisses, and a spirit full of joy.

Her playful personality, her gentle eyes, and the quiet magic she brought into every moment will be deeply missed. The pawprints she left on our hearts will remain forever.

Run free, sweet girl. Your adventure continues
