

## Thor

August 5, 2025

Thor joined our family in 2020, as a tiny puppy. His loyalty and friendship was unmatched. He dutifully protected us from blowing leaves, door to door salesmen, any bird who dared to enter our air space, and could catch balls mid-air better than any NFL receiver! Somehow, he always knew if we were sick or sad, and would lay next to us until we felt better. He was the perfect combination of fierce strength and gentle love. Thor spent almost every moment of his life with his best buddy and "dad" Gunnar, who shared his room, bed, and usually his "people food" with him. Thor gave us so many laughs. He left us with many memories...some happy, some sad, some funny, and some that still have us shaking our heads trying to figure out what in the world he was thinking. We will miss you, good buddy. Guard heaven til we get home.
