

Toby Landeros

April 22, 2026

Our hearts are broken saying goodbye to Toby. He wasn't just our cat—he was our comfort, and a piece of our family. He gave us so much love and always let us know when it was time for his snack. Our home will never feel the same without him.

We miss him deeply and will carry his memory with us every day. Thank you for loving us, Toby.

You were our sweet boy, and you will always be loved. 🐾🐾
