

## Willie Jack

January 9, 2025

Willie Jack ("Jack-Jack") was the runt of our litter. He was spunky for his size. He brought us so much joy and laughter. He was full of love but, only showed it on his terms. We will miss the twirls and circles that he would do when he was excited about getting his favorite treats. We will be forever grateful for the 12 years we were blessed to have him in our lives. You are greatly missed my "baby Jack". Until we meet again.
