

Zeke

April 7, 2025

Zeke, the dog who happily ran to us when called "Stupid" on behalf of his partner in crime being wicked smart. A happy boy who just wanted to be laying nearby or right on your leg if we were walking around. Loyal for 14 long, happy years. A scrap of a puppy mutt when found. Grown into a "Big Boy" and then an "Old Man." Forever in our hearts.
